MAINTAINING A SAFE CAMPUS ENVIRONMENT
STUDENT PROTOCOLS FOR REPORTING COVID-19 CASES

IF YOU HAVE COVID-19 SYMPTOMS
Isolate and do not come to class or attend social events.

Contact the Dean of Students* who will conduct the contact tracing.

If symptoms persist, get tested with an at-home, rapid-antigen, or PCR test administered at a non-CUNY site.**
If your test is negative, you may return to work in person when you feel well enough to do so.

IF YOU HAVE A POSITIVE RESULT FROM AN AT-HOME, RAPID-ANTIGEN, OR PCR TEST
Isolate for 10 days from the date of the test result—even if you are vaccinated. Do not come to class or attend social events.

• Satisfy the quarantine requirement.
• If you don’t have symptoms, secure a PCR test from an external testing site.
• If it is negative, you can return to campus.^

Get tested with an at-home, rapid-antigen, or PCR test administered at a non-CUNY site.*
Quarantine for 10 days

Secure an external PCR test after the quarantine is satisfied and submit it to the Dean of Students. If negative, you can return to campus in person.

IF YOU HAVE BEEN IN CLOSE CONTACT WITH SOMEONE WHO TESTED POSITIVE FOR COVID-19
If you are not fully vaccinated

IF YOU ARE FULLY VACCINATED

*Email: deanofstudents@baruch.cuny.edu
**For a list of non-CUNY testing sites visit Baruch Forward: forward.baruch.cuny.edu
^In lieu of a negative PCR test, you may present a letter from your health care provider that clears you to return to in-person classes.
